LIN GIBSON RE-ELECTED CONSERVATION ONTARIO VICE-CHAIR FOR 2014/2015

Conservation Sudbury-Nickel District Conservation Authority (N.D.C.A.) Chairperson Lin Gibson was re-elected to the Board of Directors of Conservation Ontario (C.O.) at the Annual C.O. meeting that was held in Toronto as one of the two Vice-Chairs for 2014-2015.

"I am honoured to have been re-elected by the Council of Conservation Authority members to this prominent position. 2013-2014, my first year on the Board of Directors, was a most informative year of learning for me. I again look forward to working with all my colleagues and members of Conservation Ontario," said Gibson. "I will be able to bring to the work of Conservation Ontario and all our members a different view point at times along with a fuller understanding of the serious work all Conservation Authorities do across the province."

Conservation Ontario is the network of the 36 Conservation Authorities in Ontario, which deliver programs and services that protect and manage water and other natural resources in partnership with governments, landowners and other organizations. Conservation Ontario supports the Conservation Authorities network and is responsible for a number of significant environmentally related priorities with direct association through Government Relations, Research and Information, Education and Training, and Outreach Education to communities.
